CLASS HOURS

Classes are conducted from 7:00 o'clock in the morning to 6:30 in the evening on regular school days, with appropriate study and snack/lunch breaks.

Senior High School students are not allowed to go out of the campus from 7:00 o'clock in the morning until their last period in the morning or evening.

CO-CURRICULAR ORGANIZATIONS

Co-curricular organizations related to different subject areas are organized to enhance the interest of the students in related subjects, to improve their skills in various fields, and to promote harmonious social relationship in the school campus. Organizations correlated with other curricular areas provide the students enriching learning experiences.

Another objective of these organizations is to foster orderliness and cleanliness in the school environment. During class hours, the officers and members see to it that corridors are free of loitering students and monitor the orderly movement of students along the stairways and corridors. Close coordination is maintained between the Mandaluyong City and civic officials, and the students and faculty on community-related activities.

THE SENIOR HIGH SCHOOL UNIFORM

All Senior High School students are required to wear proper and decent clothes whenever they enter and stay inside the University premises.

On regular school days, Senior High School students are required to wear the prescribed school uniform to promote a wholesome and academic oriented student image. The Senior High School uniform has been designed to reflect an image of a higher level of secondary academic advancement but still retains a high school image.

For females, the prescribed uniform consists of a khaki blouse with JRU striped piping, a JRU seal embroidered on the left collar and a label tag on

the right sleeve with the imprinted letters "JRU," and JRU colors striped-pattern necktie, JRU blue skirt and closed black leather shoes.

For males, the prescribed uniform consists of the JRU dark blue polo shirt with the school logo embroidered on the left collar and a label tag on the right sleeve with the imprint letters "JRU" and is paired with khaki pants, black socks and closed black leather shoes.

Both female skirts and male pants can be used by students in JRU College should they pursue a college program in JRU after their Senior High School.

TEXTBOOKS

All senior high school students are required to obtain a complete set of the prescribed textbooks, the lists of which are posted outside the Bookstore. The University Bookstore sells textbooks and school supplies at reasonable and competitive prices, but students are free to obtain their textbooks and school supplies elsewhere if they so prefer.

SCHOOL ACTIVITIES

To supplement classroom work, actual field excursions and educational tours with parental consent and under the supervised direction of class advisers are undertaken by the students in all curriculum year levels. Instructional techniques are supplemented by Technology enhanced materials.

The student body of the senior high school publishes a senior high school student organ, **The Scribe** completely managed and edited by the students. They are encouraged to write and publish original articles in this school organ. They are given the opportunity to express themselves freely through writing. Managing the school paper imbues the students' minds with the significance of responsibility and work, and plays an important role in the development of a mature studentry. A yearbook, **The Blue and Gold**, is a project of and published annually by, the senior high school students.

Quiz shows in all subject areas are held to reinforce the learning acquired in classrooms and enhance mental alertness.

The prayer room in Room C-14 is open during school hours, where the students of all denominations may meditate.

Literary and musical programs, convocations featuring noted resources persons, and other social gatherings are frequently held at the campus for further educational and cultural enrichment.

The homeroom provides an opportunity for closer teacher-student relationship, more effective practice of social group living, and better group guidance activities.

Complete computer facilities are provided for the student's hands-on experience to reinforce the lessons learned in ordinary classrooms.

PHYSICAL EDUCATION, SPORTS AND UNIVERSITY WEEK PROGRAMS

PEH is offered to Grade 11 to 12 students and includes physical education and health.

The annual intramural league is an important component of the physical education program. It is designed to encourage as many students as possible to participate in a competitive manner in several group sports. For their own protection, students who participate are required to secure inexpensive student insurance during the season.

Jose Rizal University is a member of the National Collegiate Athletic Association (NCAA), and senior high school students are given the opportunity to enjoy the benefits of its membership. Qualified students are encouraged to participate in the NCAA Junior Division sports of basketball, chess, football, softball, swimming, tennis, track and field, and volleyball.

The five-day University Week Celebration held in February is a significant event in the school with maximum student participation as a major objective. It features exhibits, literary and musical programs, field demonstrations, parlor games, quiz shows and other activities; thus enhancing the students varied interests and talents.

SCHOLARSHIPS

All incoming grade 11 in the Senior High School division who have been certified as belonging to the top 10 in academic ranking by Junior High School Principal from any school, including JRU are automatically qualified as "La Pluma" scholars for their first two (2) semesters in JRU. These scholarships can only be availed of if the students enroll during the school year immediately following their graduation.

All other incoming grade 11 students from any school, including JRU, may apply for Academic Scholarships, except the "La Pluma" scholarship, by taking and passing the JRU scholarship qualifying examinations.

Further details on Academic Scholarships are available from the Guidance and Testing Office.

Several scholarships, including stipends, are awarded to deserving students under the sponsorship of Jose Rizal University Alumni Association (JRUA). Further information on this matter may be obtained from the Senior High School Principal.

The tuition fee for the year or for the summer session for each student will depend upon the total number of periods taken. Miscellaneous and other fees may be charged depending on the year level, and subject enrolled. The details of tuition and miscellaneous fees are available at the Student Accounts Section of the Accounting Office.

A "prompt payment discount" of 10% of the tuition is given to "non-voucher recipient" if full payment of all tuition and miscellaneous fees is made before the opening of classes (Prompt Payment Discount). However, if payment is made through credit card, the "prompt payment discount" is reduced to 7.5%.

Students who will pay tuition and miscellaneous fees after the prompt payment discount period on or before the 11th day from the opening of classes can no longer avail the prompt payment discount and will be charged the full published rate.

Students who are not able to pay tuition and miscellaneous fees in full on or before the 11th day from the opening of classes shall automatically be considered as paying in "installment basis" and shall be charged the installment rates.

Students who pay in installment basis shall be charged an "Incomplete Down-payment fine" of Five Hundred Pesos (Php 500.00) if full payment is not made on or before the 11th day from the opening of classes.

The last day of enrollment without fine is the first day of regular classes. Any student who is allowed to enroll after the said date shall be considered as a late enrollee and is subject to the late enrolment fine.

A student is not considered enrolled unless the tuition fee or the first installment payment have been paid, in addition to the other requirements for enrolment.

Please note that the student with delinquent accounts shall be subject to penalties. This includes students who do not settle financial obligations to the University on time and those who issue "bounced checks."

DISCOUNTS

documents. Details on the application or availment of discounts are available at the Student Accounts Section of the Accounting Office.

WITHDRAWALS AND REFUNDS

A distinction is made between students who officially withdraw and students who drop. Full withdrawals are permitted within thirty (30) days after the beginning of classes provided the university is notified promptly in writing on the Application for Change of Subject/Section/Load and Withdrawal Form (F-REG-004) approved by the respective Principal and the Registrar. Any deserving exception on the application for full withdrawal shall be referred to the Vice President for Academic Affairs (VPAC) for approval. When no written notification is made, the student is considered dropped, and charged in full for the entire semester, regardless of the actual attendance.

Subsequent to enrolment, if the student officially withdraws his/her enrollment for any reason, prior to the start of classes, the University shall refund all payments already made, but will charge the student the amount of Two Thousand Eight Hundred Pesos (Php 2,800.00) as processing fee.

If a student officially notifies the University of the withdrawal of his/her enrolment within fifteen (15) calendar days after the beginning of classes, the student shall be charged 20% of the total published tuition and miscellaneous fees due or total installment tuition and miscellaneous fee due depending on their mode of payments. This policy shall be imposed regardless of whether or not the student has been attending his/her classes.

If a student officially notifies the University of the withdrawal of his/her enrolment more than fifteen (15) but not more than thirty (30) calendar days after the beginning of classes, the student shall be charged 50% of the total published tuition and miscellaneous fees due or total installment tuition and miscellaneous fee due depending on their mode of payments. This policy shall be imposed regardless of whether or not the student has been attending his/her classes.

If a student officially notifies the University of the withdrawal of his/her enrolment more than thirty (30) calendar days after the beginning of classes, the student shall be charged 100% of the total published tuition and

miscellaneous fees due or total installment tuition and miscellaneous fee due depending on their mode of payments. This policy shall be imposed regardless of whether or not the student has been attending his/her classes.

For the summer session of any division, the policy on refunds, either on the cash basis or on the installment basis, will remain the same as for the regular session, except for the difference in grace periods. For the grace period of fifteen (15) calendar days after the beginning of classes during the regular session, the summer equivalent will be two (2) calendar days; where it was thirty (30) calendar days, the summer equivalent will be five (5) calendar days. These equivalents will be valid for both collegiate and high school summer session.

In no case will tuition fee be refunded or reduced because of absences from or suspension of classes for any reason whatsoever.

Further details regarding withdrawals and refunds are available at the Student Accounts Section of the Accounting Office.

Students should be careful with their ID's as any student who loses his/her identification card shall pay a replacement fee before he/she is issued another one. They can obtain temporary gate passes only pending recovery/replacement of lost ID, if they are accompanied to the office by their parents.
