GENERAL INFORMATION

HISTORY OF THE UNIVERSITY

Jose Rizal University was originally founded as the Far Eastern College School of Accounts, Commerce, and Finance in 1919 as a non-stock non-profit non-sectarian private educational institution to blaze the trail in the field of commercial education. Its founder was the late Vicente Fabella, the first Filipino certified public accountant. The name was subsequently changed to Jose Rizal College in 1922, in honor of the great Filipino patriot and martyr who tried to awaken his countrymen in his writings to the need for economic self-sufficiency and independence.

The University was first located at R. Hidalgo Street in Quiapo, Manila. It offered the four-year bachelor's degree course in Commerce as well as the high school course. It had continued to provide educational services since 1919 except during the Japanese occupation of the Philippines in World War II when it remained closed as a gesture of protest in spite of repeated attempts by the occupation authorities at the time to have it opened.

The University reopened after the end of the war in 1945 and, faced with the need for expanded facilities, transferred in 1950 to its present site in Mandaluyong City, then part of the province of Rizal and subsequently Metro Manila.

The University is a founding member of the Philippine Association of Colleges and Universities (PACU) in 1932, of the Philippine Association of Collegiate Schools of Business (PACSB) in 1962, of the Private Education Retirement Annuity Association (PERAA) in 1974, and Philippine Association of Personnel Management in Private Schools (PAPMIPS) in 1997.

In its 100 years of existence, the University has achieved the singular distinction of having produced a remarkable number of successful graduates who have enjoyed the respect of the nation. Among them are included a President of the Philippines, a justice of the Supreme Court, several members of the legislature and of the Cabinet, some ambassadors, no less than twenty heads of banks and financial corporations, several heads of educational institutions, acknowledged leaders in the various fields of industry, commerce, agriculture and trade, and armed forces officers of general rank. It can rightfully claim that it has contributed its share in the molding of character and training of the successful graduates.

The careful combination of proven competence in instruction plus valuable experience in the practice of the profession has been the guide of the University in the selection of faculty members. This policy, combined with carefully planned programs in the various disciplines and adequate facilities, has formed the basis for the impressive educational record of the University.

VISION OF THE UNIVERSITY

JRU will be a market leader in the use of technology for innovations in teaching and learning to produce graduates of social importance.

MISSION OF THE UNIVERSITY

The University aims to develop its students to become useful and responsible citizens through the effective transfer of relevant knowledge and desirable values.

In addition, the Elementary School places particular emphasis upon developing both familiarity and facility with the English language as quickly as possible, and certain basic desirable virtues which appear to be most effectively provided by the school, rather than the family or the church.

LOCATION AND FACILITIES

Jose Rizal University is located at 80 Shaw Boulevard, Mandaluyong City, occupying a whole city block and a half. It is accessible through public transport passing directly in front of and all around the school. It is located on

the high commanding ground and is completely surrounded by a wall. Located inside the spacious campus are modern reinforced concrete well-ventilated multi-story buildings. The Elementary School is completely housed in its own three-story building with 100% air-conditioned and multi-media equipped classrooms. Also located in this building is the air-conditioned elementary library, which contains a constantly increasing selection of supplementary reading materials and other appropriate books and periodicals. There is also ample playground space for pupils.

The school offers technology-enabled modules in English, Mathematics, Science, and Social Studies subjects for all pupils from Grades I to VI. Such instruction is supported by adequate computer laboratory facilities.

A Medical and Dental Clinic is located on the campus, with medical and dental services available during school hours.

A bookstore with complete stocks of the required textbooks, uniforms, and school supplies at reasonable prices is also located within the campus.

The school cafeteria serves all types of food, from simple snacks to complete lunches, and is open during class hours.

All divisions and departments of the University may be contacted through the switchboard telephone numbers: 8531-80-31 to 35.

Parents are encouraged to visit the campus anytime during office hours from Monday to Friday.

ADMISSION REQUIREMENTS

An applicant for admission to the Elementary School must be accompanied by his/her parents or guardian. An application form should be filled up and submitted together with the Report Card (DepEd Form 138) valid for transfer. In the case of applicants to the First Grade, proof of completion of the Kindergarten Program, the birth certificate, or affidavit of birth must be presented. Transfer pupils are required to take the entrance examination. A foreign pupil should present and submit a photocopy of his/her passport and original student record (Red Ribbon), Special Study Permit (SSP) issued by Bureau of Immigration, ID photo, preferably 2x2 inches in size and duly accomplished on-line application form.

Due to the restricted number of classrooms available at the Elementary School Building, only a limited number of new pupils can be accepted for admission. New pupils who already have brothers or sisters studying at Jose Rizal University are given preference, provided that their applications are made early enough during the enrolment period.

The school has the right to decline any application, which does not conform to its admission policies. All pupils are subject to the policies, rules, and regulations of the school and are bound by the provisions and representations made in this announcement. However, such stipulations shall not be considered as constituting an irrevocable contract between the pupil and the school as it is understood that the school reserves the right to modify, change, alter or revise them at its discretion.

By enrolling in the University, pupils/parents/guardians acknowledge and agree that they shall abide by all the policies and procedures of the University regarding enrolment acceptance and retention; all school fees payment and collection; and all those policies and procedures contained in this General Information or any other Policies and Procedures Handbooks and Manuals now existing or will come to existence within the duration of their enrolment.

Pupils/parents/guardians further acknowledge and agree that should they violate any of these policies, the University has the absolute right to enforce sanctions and penalties upon them as called for in this Handbook, including barring pupils from taking examinations and being dropped from the enrollment rolls if necessary.

The registration schedule for SY 2020-2021 follows:

July 17 -onwards	Transfer pupils and open enrolment

CURRICULUM

The enhanced Basic Education Curriculum (BEC) prescribed by the Department of Education (DepEd) is being implemented by Jose Rizal University (JRU) modified to suit its own educational policies. In terms of the number of contact hours, the JRU Curriculum offers more compared to DepEd's Basic Education Curriculum.

<u>Grade Level</u>	<u>Total No. of Minutes per Day</u>	
	<u>JRU Curriculum</u>	<u>DepEd</u>
Grade I	350	270
Grade II	350	310
Grade III	380	360
Grade IV	410	360
Grade V	410	360
Grade VI	410	360

The JRU Curriculum meets the national requirements but is further strengthened to enhance instruction reflective of the knowledge, skills, and attitudes suited to the ever-changing needs of pupils and society. Additional emphasis is also given to Mathematics and Science subjects, as these represent, together with English, the core of the Elementary School curriculum.

The Elementary School places great emphasis on the importance of the English language and has taken steps to emphasize this particular subject skill. The number of contact hours of the English subject in all grade levels is given more minutes. English is used as the medium of instruction in all subject areas for all grade levels (with the exception of Filipino and Mother Tongue subjects). It is the University's belief that early and complete familiarity with the English language is critical to a more effective social and economic role of the child upon maturity.

Furthermore, the university adopted the use of the Canvas Learning Management system to enhance further the Technology Enabled Education (TEE) programs of the Elementary School Division. Through the use of Canvas, teachers, and students are able to access course and module contents, communicate internally, and collaborate through various online activities. Online lessons in Canvas also paved the way for the implementation of online assessments in computer laboratories.

The contents of the Character Education subject have been especially suited to the needs of the elementary school pupils and take into consideration those values which are best handled by the school, as contrasted with those which may be better undertaken by the parents and by religious authorities. The Elementary School curriculum follows:

Grades I and II	8:00 A.M. – 11:40 A.M. 12:20 - 2:50 P.M.
Grade III and IV	8:00 A.M. – 12:00 A.M. 12:40 - 3:20 P.M.

The school conducts Saturday classes to offset the days when classes are suspended and to complete the number of class days or contact hours required by DepEd during the school year.

ATTENDANCE

Punctual and continuous attendance is required of all pupils. A number of unexcused absences may prevent a pupil from being given credit in the subject concerned, at the option of the teacher-in-charge. Cutting classes/truancy or habitual tardiness is classified as a major offense.

The school should be promptly notified if the pupil is sick and unable to attend classes; otherwise, the pupil may be dropped if the number of absences is excessive.

As a general rule, elementary pupils will not be permitted to leave the school campus before the dismissal of classes in the afternoon, for security and safety reasons, and to foster a sense of responsibility. Furthermore, parents will not be allowed to remain inside the campus while their children are attending classes. Each child should be provided with his/her own lunch box and left to eat by himself or with his/her classmates during lunchtime.

UNIFORMS

For girls, the uniform consists of a white blouse with JRU striped piping, a JRU seal embroidered on the left collar, and a label tag on the right sleeve with the imprinted letters "JRU," and JRU colors striped-pattern necktie and skirts, white socks and black shoes.

For boys, from Kindergarten to Grade IV, the uniform consists of a white polo shirt with JRU striped piping on the sleeves, a JRU seal embroidered on the left collar, and a label tag on the right sleeve with the imprinted letters "JRU." Short khaki pants, white socks, and black shoes. For grades V and VI, the uniform is the same except for long khaki pants.

The patterns, prescribed uniforms, and cloth materials are available at the JRU Bookstore located on the main campus.

SCHOOL ACTIVITIES

Co-curricular activities and organizations related to different subject areas are organized to enhance the interest of the pupils, to improve their skills in various fields, and to promote harmonious social relationships in the school campus.

A number of educational trips and visits to various places of historical, cultural, environmental, and technological significance are undertaken during the year. Such trips are made under the full supervision of faculty, with the written permission of parents.

JRU is active in the scouting movement and is a regular member of the Boy Scouts of the Philippines. Boys from six to nine years old are encouraged to join the Kab Scouts, those from ten to twelve years old, the Boy Scouts.

The Elementary School is a member of the Girl Scouts of the Philippines. Girls from six to nine years old are encouraged to join the Stars, those from ten to twelve years old, the Girl Scouts.

Literary and musical programs are held from time to time, and maximum pupil participation is stressed. A separate day is reserved for Elementary School activities during the annual University Week held in February when the anniversary of the school is observed with appropriate ceremonies.

Pupils of the Roman Catholic faith may be prepared for the First Holy Communion, at the indication of the parents upon enrolling the child.

SCHOLARSHIPS

To encourage deserving pupils, Academic Scholarships are given to pupils starting at Grade 3 of JRU Elementary School.

Further details on Academic Scholarships are available from the Principal's Office.

In addition, all graduates of the JRU Kindergarten and Elementary School are entitled to a reduction in the tuition fee for the first grade of Elementary School and seventh grade of Junior High School at JRU, provided they enroll in the school year immediately following graduation.

TUITION AND OTHER FEES

The tuition fee for the year for each pupil will depend upon the grade level. Miscellaneous and other fees may be charged depending on the year level, and subject enrolled. The details of tuition and miscellaneous fees are available at the Student Accounts Section of the Accounting Office.

Further information about the prompt payment discount schedule and the deadline for enjoying such privilege may be obtained at the Student Accounts Section of the Accounting Office in Room A-13.

Pupils who will pay tuition and miscellaneous fees after the prompt payment discount period but on or before the 11th day from the opening of classes can no longer avail the prompt payment discount and will be charged the full published rate.

Pupils who are not able to pay tuition and miscellaneous fees in full on or before the 11th day from the opening of classes shall automatically be considered as paying on "installment basis" and shall be charged the installment rates.

Pupils who pay on installment basis shall be charged an "Incomplete Down-payment fine" of Five Hundred Pesos (Php 500.00) if the full down payment is not made on or before the 11th day from the opening of classes.

A pupil is not considered enrolled unless the tuition fee or the first installment payment have been paid, in addition to the other requirements for enrolment.

Please note that the pupil with delinquent accounts shall be subject to penalties. This includes pupils who do not settle financial obligations to the University on time and those who issue "bounced checks."

This policy shall be imposed regardless of whether or not the student has been attending his/her classes.

KINDERGARTEN

Kindergarten class introduces the child to social interaction with children of the same age, and eases the transition into more formal education in Grade I. As per DepEd order; it is strongly advised that children should take the Kindergarten program to improve their readiness and foundation skills to be ready for the primary grades. A portion of the elementary school building is exclusively used for the kindergarten classes, offering a wholesome atmosphere for young children engaged in work and play.

A child enrolling for kindergarten should have been born not later than August 1, 2015. A child who will turn five years old by the end of October 31, 2020, could be accepted on the condition that Philippine Early Childhood Development (ECD) checklist is administered to the learner to determine his/her readiness to enter kindergarten and after a written permission from the Schools Division Superintendent (SDS) has been secured by the Office of the School Principal.

The medium of instruction for the kindergarten class is primarily English, with the Filipino language utilized as an auxiliary medium. Classes are held from 8:00 to 11:00 o'clock in the morning and from 12:00 to 3:00 o'clock in the afternoon, Mondays through Fridays.

Kindergarten pupils are encouraged to join the Scouting Movement, 'Tinklers' for the girls, and 'Kid' for the boys.
