GENERAL INFORMATION

HISTORY OF THE UNIVERSITY

Jose Rizal University was originally founded as the Far Eastern College School of Accounts, Commerce, and Finance in 1919 as a non-stock non-profit non-sectarian private educational institution to blaze the trail in the field of commercial education. Its founder was the late Vicente Fabella, the first Filipino certified public accountant. The name was subsequently changed to Jose Rizal College in 1922, in honor of the great Filipino patriot and martyr who tried to awaken his countrymen in his writings to the need for economic self-sufficiency and independence.

The University was first located at R. Hidalgo Street in Quiapo, Manila. It offered the four-year bachelor's degree course in Commerce as well as the high school course. It had continued to provide educational services since 1919 except during the Japanese occupation of the Philippines in World War II when it remained closed as a gesture of protest in spite of repeated attempts by the occupation authorities at the time to have it opened.

The University reopened after the end of the war in 1945 and, faced with the need for expanded facilities, transferred in 1950 to its present site in Mandaluyong City, then part of the province of Rizal and subsequently Metro Manila.

The University is a founding member of the Philippine Association of Colleges and Universities (PACU) in 1932, of the Philippine Association of Collegiate Schools of Business (PACSB) in 1962, of the Private Education Retirement Annuity Association (PERAA) in 1974, and Philippine Association of Personnel Management in Private Schools (PAPMIPS) in 1997.

In its 100 years of existence, the University has achieved the singular distinction of having produced a remarkable number of successful graduates who have enjoyed the respect of the nation. Among them are included a President of the Philippines, a justice of the Supreme Court, several members of the legislature and of the Cabinet, some ambassadors, no less than twenty heads of banks and financial corporations, several heads of educational institutions, acknowledged leaders in the various fields of industry, commerce, agriculture and trade, and armed forces officers of general rank. It can rightfully claim that

it has contributed its share in the molding of character and training of the successful graduates.

The careful combination of proven competence in instruction plus valuable experience in the practice of the profession has been the guide of the University in the selection of faculty members. This policy, combined with carefully planned programs in the various disciplines and adequate facilities, has formed the basis for the impressive educational record of the University.

VISION OF THE UNIVERSITY

José Rizal University will be a market leader in the use of technology for innovations in teaching and learning to produce graduates of social importance.

MISSION OF THE UNIVERSITY

Jose Rizal University aims to develop its students to become useful and responsible citizens through the effective transfer of relevant knowledge and desirable values.

QUALITY POLICY

Jose Rizal University is committed to provide quality education through compliance with stakeholder requirements, continuous improvement of its organizational system, and develop competent and professional teaching and non-teaching personnel, to ensure efficient transfer of relevant knowledge and desirable values.

QUALITY OBJECTIVES

1. Continuously provide academic intervention to its students.
2. Continuously provide feedback loops in satisfying its clients through metrics.
3. Maintain and continuously develop a competent workforce through effective performance management system.
4. Maintain effective financial, technological, academic, and administrative planning and control systems to implement its goals and objectives.

DATA PRIVACY

The University is committed to protect the privacy rights of its students (also known as data subjects) on personal information pursuant to the provisions of the Data Privacy Act of 2012. Students are urged to read and understand the privacy notice posted on the University website, which explains how the University collects, uses, retains, and discloses personal information of its data subjects. Questions about policy or any complaint regarding the treatment of privacy by the University may be communicated to the Data Privacy Officer.

JRU CORE VALUES

Our core values define how we behave individually and collectively, as inspired by the ideals of the founder. A Rizalian is:

- **Responsible.** A team player who is focused, attentive, gives one's best, and is committed to the goals of the University.
- **Considerate and Courteous.** A fair and caring person fully aware of other's rights, feelings, and ideals.
- **With Integrity.** A person who acts truthfully, morally, and ethically.

JRU INSTITUTIONAL OUTCOMES

A JRU graduate has the competencies and values in the disciplinal area completed such that he/she is a useful and responsible citizen of the country.

THE JUNIOR HIGH SCHOOL DIVISION

The University offers a six-year secondary curriculum. The Junior High School is the first certified Level III Reaccredited Program in the country granted by the Philippine Association of Colleges and Universities Commission on Accreditation (PACUCOA), modified to suit the global educational policies and priorities of JRU Junior High School. Its course offerings for the elementary and secondary levels are recognized by the Department of Education (DepEd).

PROGRAM OUTCOMES

1. Display a strong command of language by demonstrating advanced communication skills in various situations;
2. Apply the mastered mathematical skills and scientific concepts into real-life situations;
3. Conduct themselves in desirable manners guided by the virtues of responsibility, courtesy, consideration, and integrity;
4. Enhance the acquired technological and occupational skills in order to qualify any entry-level positions in the employment world that will help students finish college; and
5. Exhibit reverence to God and social responsibility in daily life.

STUDENT OUTCOMES

The completers of the JRU Junior High School Division are able to:

1. Exhibit higher communication and critical thinking skills;
2. Demonstrate mastery of mathematical skills and scientific concepts and their applications;
3. Practice desirable habits and attitudes essential for democratic citizenship, guided by Rizalian Values;
4. Apply technological and occupational skills in real-life situations; and
5. Demonstrate love of God and of the Filipino nation in everyday living.

LOCATION AND FACILITIES

Jose Rizal University is located at 80 Shaw Boulevard, Mandaluyong City, occupying an area of one and a half city blocks. It is accessible through public transport passing directly in front of and around the school. Its high school building is completely surrounded by concrete walls located inside the spacious campus, which is modern, well-ventilated, and reinforced concrete multi-storey buildings.

The air-conditioned University Library contains a wide selection of books and periodicals as well as a variety of supplementary reading materials. The reading area provides the proper atmosphere for study and research. The library collection contains more than 70,000 titles and is still increasing.

Another five-storey building houses the science, computer and speech laboratory rooms, and the air-conditioned auditorium.

The computer laboratories contain 45-position computer facilities, which are more than adequate for every student in each classroom.

The University has a modern speech laboratory designed to facilitate good and efficient communication systems between the teacher and the students, thus providing a modern way of employing the "Listen and Learn" principle.

The Junior High School Building (Building M) houses the modern laboratories and spacious library.

The school cafeteria provides hot and nutritious meals at reasonable prices, in addition to snacks and refreshments.

The University Bookstore has a complete stock of the required textbooks, school uniforms, and school supplies offered at reasonable prices. However, students may, if they so prefer, obtain their textbooks and other school supplies elsewhere.

Professional guidance counseling is available at the Guidance and Testing Office for individual or group counseling for academic and/or personal problems. Individual and group testing are also available upon request. Any

junior high school student may request for an appointment with the guidance counselor.

A physician, dentist, and nurse are on duty during school hours at the Medical and Dental Clinic.

The University has an air-conditioned ecumenical prayer room where students are welcome to pray.

The athletics and physical education facilities are located at the new Gym Building (Bldg G) where students can enjoy playing basketball and other indoor sports.

ADMISSION REQUIREMENTS

New students interested in enrolling at the Junior High School division should submit a duly accomplished online application form together with his/her Report Card (Form 138), Certificate of Good Moral (not applicable for new students who graduated from JRU), Birth Certificate, or affidavit of birth and ID photo preferably 2x2 inches in size. The online application form may be filled out at the Office of the Junior High School Principal, in Room M-201. A new student seeking admission to the Junior High School must have obtained satisfactory grades in department.

In the absence of any school record which may serve as a basis for admission, the applicant may submit a certified statement signed by the principal of the school last attended about the loss of school records indicating the subjects passed; or the guardian of the applicant may sign an Undertaking Form acceptable for temporary enrolment and available at the Office of the Junior High School Principal indicating therein a commitment date when to submit the student's official school record and/or other pertinent documents that maybe required.

A student who receives not more than three failing grades at the end of the school year should enroll during the summer term to make up for his/her deficiencies; otherwise, he/she will either be required to repeat the curriculum year in which he/she has been enrolled, or will be allowed to take only the subjects which he/she has failed.

A foreign student should bring his/her original student record (Red Ribbon) and a photocopy of his/her passport, Special Study Permit issued by Bureau of Immigration, ID photo, and submit duly accomplished on-line application form upon enrolment.

Jose Rizal University Junior High School reserves the right to decline any application which does not conform to its admission policies. All students are subject to the policies, rules, and regulations of the school and are bound, among others, by the provisions and representations made in this announcement. However, such stipulations shall not be considered as constituting an irrevocable contract between the student and the school as it is understood that the school reserves the right to modify, change, alter, or revise them.

By enrolling in the University, students/parents/guardians acknowledge and agree that they shall abide by all the policies and procedures of the University regarding enrolment acceptance and retention; all school fees payment and collection; withdrawal or dropping policies; and all those policies and procedures contained in this General Information or any other Policies and Procedures Handbook and Manuals now existing or will come to existence within the duration of their enrolment.

Student/parents/guardians further acknowledge and agree that should they violate any of these policies, the University has the absolute right to enforce sanctions and penalties upon them as called for in this Handbook, including barring a student from taking examinations and/or being dropped from the enrolment rolls if necessary.

Classes begin on Monday, August 10, 2020. The preferential dates of registration are as follows:

July 13	Grade 10
July 14	Grade 7
July 15	Grade 8
July 16	Grade 9
July onwards	Transfer students and open enrolment

Students enrolling after these preferential dates are not assured of enrolment due to space constraints; hence, they are advised to come as scheduled to avoid non-admission or closed preferred sections.

For further information concerning admission, please see the Junior High School Principal in Room M-201, which is open from 7:00 o'clock in the morning to 6:00 o'clock in the afternoon from Mondays through Fridays.

ENROLMENT PROCEDURE

Generally, the enrollee is required to present his/her enrolment credentials to the teacher in charge of registration. If the documents submitted are incomplete, the applicant/enrollee shall be required to fill out the Undertaking Form. The student may start his/her online registration using the AIMS Student Module, with the assistance of the enroller. Enrolling student may ask for assistance from enroller present in the enrolment area. Upon approval of the credentials, assigning of sections, and printing of Enrolment Permit (EP), students must proceed to the assessment area and presents his/her enrolment permit to the Teller for payment. Once assessed, the student then goes to the teller and makes the necessary payment. The amount printed on the official receipt should tally with the actual payment.

Keep in mind that preliminary registration and payment of fees should be done on the same day to be assured of space in the subjects enrolled; otherwise, reservations may be cancelled.

A student is considered officially enrolled only after he/she has (1) submitted all required admissions credentials (for new applicant/transfer students); (2) issued an Enrolment Permit (EP), and (3) made an initial payment of school fees.

The enrolment permit is evidence of the student's enrollment and should be presented to the subject teachers for their signatures on the first day of classes.

CURRICULUM

The enhanced Basic Education Curriculum (BEC) prescribed by the Department of Education (DepEd) is being implemented by Jose Rizal University (JRU) modified to suit its own educational policies. In terms of the number of contact hours, the JRU Curriculum offers more compared to DepEd's Basic Education Curriculum.

The classes are conducted for 80 minutes each for English, Math, Science, and Business Technology.

The Junior High School Division was approved by the K-12 Committee of the Department of Education to offer the Junior High School Program beginning School Year 2016-2017.

English is used as the medium of instruction in all subjects except Filipino. It is the University's belief that complete familiarity with the English language is critical to a more effective social and economic role of the child. The Junior High School is very conscious of the importance of a good command of the English language in secondary education. It has initiated steps in improving our subjects by including the Computer-Aided Instruction (CAI) in teaching all our subjects.

The JRU Junior High School Curricula for all curriculum years meet the national requirements but are further strengthened to enhance instruction reflective of the knowledge, skills, and attitudes suited to the ever-changing needs of students and society.

Grade 10 students are required to see their section advisers before the end of June 2019 for the re-evaluation of their subjects required for promotion; failure to do so may cause the students to be ineligible for promotion.

CLASS HOURS

Classes are conducted from 7:00 o'clock in the morning to 5: 00 o'clock in the afternoon on regular school days, with appropriate study and snack/lunch

breaks. Every Monday morning, students with first-period classes are required to come thirty minutes earlier to participate in the flag-raising ceremony.

Junior High School students are not allowed to go out of the campus from 7:00 o'clock in the morning until their last period in the morning or afternoon.

CO-CURRICULAR ORGANIZATIONS

Co-curricular organizations related to different subject areas are organized to enhance the interest of the students in related subjects, to improve their skills in various fields, and to promote harmonious social relationship in the school campus. Organizations correlated with other curricular areas provide the students with enriching learning experiences.

Another objective of these organizations is to foster orderliness and cleanliness in the school environment. During class hours, the officers and members see to it that corridors are free of loitering students and monitor the orderly movement of students along the stairways and corridors. Close coordination is maintained between the Mandaluyong City and civic officials, and the students and faculty on community-related activities.

SCHOOL UNIFORMS

The prescribed JRU Junior High School uniform for girls consists of a white blouse with JRU seal embroidered on the left collar and a label tag on the right sleeve with the imprinted JRU letters and a JRU striped white blue and gold necktie and skirt. For boys, the prescribed uniform is a white polo shirt with the JRU seal embroidered on the left collar and a label tag on the right sleeve with the imprinted JRU letters and long black trousers. The pattern, prescribed items, and clothing materials are available at the JRU Bookstore. Male students are required to wear black shoes and black socks while female students are required to wear black shoes and white socks.

The prescribed MAPEH uniform for both boys and girls are available at the Bookstore.

TEXTBOOKS

All junior high school students are required to obtain a complete set of the prescribed textbooks, the lists of which are posted outside the Bookstore. The University Bookstore sells textbooks and school supplies at reasonable and competitive prices, but students are free to obtain their textbooks and school supplies elsewhere if they so prefer.

SCHOOL ACTIVITIES

To supplement classroom work, actual field excursions and educational tours with parental consent and under the supervised direction of class advisers are undertaken by the students in all curriculum year levels. Instructional techniques are supplemented by a variety of audio-visual materials housed in a separate audio-visual room.

The student body of the junior high school publishes a junior high school student organ, **The Scroll**, completely managed and edited by the students. Students are encouraged to write and publish original articles in this school organ. They are given the opportunity to express themselves freely through writing. Managing the school paper imbues the students' minds with the significance of responsibility and work, and plays an important role in the development of a mature studentry. A yearbook, **The Blue and Gold Jr.**, is a project and published annually by the junior high school students.

Quiz shows in all subject areas are held to reinforce the learning acquired in classrooms and enhance mental alertness.

The University has units of the Boy Scouts and the Girl Scouts of the Philippines. The scouts' activities are highlighted by annual hiking and camping under the supervision of responsible scoutmaster-faculty members. Boy and girl scouts participate actively in the University community programs.

The prayer room in Room C-14 is open during school hours, where the students of all denominations may meditate.

Literary and musical programs, convocations featuring noted resources persons, and other social gatherings are frequently held at the campus for further educational and cultural enrichment.

The homeroom provides an opportunity for closer teacher-student relationship, more effective practice of social group living, and better group guidance activities.

Complete computer facilities are provided for the student's hands-on experience to reinforce the lessons learned in ordinary classrooms.

The annual intramural league is an important component of the physical education program. It is designed to encourage as many students as possible to participate in a competitive manner in several group sports. For their own protection, students who participate are required to secure inexpensive student insurance during the season.

Jose Rizal University is a member of the National Collegiate Athletic Association (NCAA), and junior high school students are given the opportunity to enjoy the benefits of its membership. Qualified students are encouraged to participate in the NCAA Junior Division sports of basketball, chess, football, softball, swimming, tennis, track and field, and volleyball.

The five-day University Week Celebration held in February is a significant event in the school with maximum student participation as a major objective. It features exhibits, literary and musical programs, field demonstrations, parlor games, quiz shows, and other activities, thus enhancing the students varied interests and talents.

SCHOLARSHIPS

La Pluma and Academic Scholarships are made available to encourage deserving students to enroll and finish their studies at JRU.

All incoming freshmen in the Junior High School division who have been certified as belonging to the top 10 in the academic ranking by their Elementary School Principal from any school, including JRU, are automatically qualified as "La Pluma" scholars for their first two (2) school years in JRU. These scholarships can only be availed of if the students enroll during the school year immediately following their graduation.

All other incoming grade 7 students from any school, including JRU's, may apply for Academic Scholarship, except the "La Pluma" scholarship by taking and passing the JRU scholarship qualifying examinations.

Further details on Academic Scholarships are available from the Guidance and Testing Office.

The editor-in-chief and the managing editor of the junior high school publication, **The Scroll**, are entitled to full and half scholarships valid for one year, respectively. Likewise, the CAT Corps Commander is entitled to full scholarship valid for one school year. Scholarships are also awarded to band members and deserving athletes and cheerleaders.

Several scholarships, including stipends, are awarded to deserving students under the sponsorship of Jose Rizal University Alumni Association (JRUA). Further information on this matter may be obtained from the Junior High School Principal.

TUITION AND OTHER FEES

The tuition fee for the year or for the summer session for each student will depend upon the total number of periods taken. Miscellaneous and other fees may be charged depending on the year level, and subject enrolled. The details of tuition and miscellaneous fees are available at the Student Accounts Section of the Accounting Office.

A "prompt payment discount" of 10% of the tuition fee is given if full payment of all tuition and miscellaneous fees is made before the opening of classes (Prompt Payment Discount). However, if payment is made through credit card, the "prompt payment discount" is reduced to 7.5%.

Further information about prompt payment discount schedule and the deadline for enjoying such privilege may be obtained at the Student Accounts Section of the Accounting Office in room A-13.

Students who will pay tuition and miscellaneous fees after the prompt payment discount period but on or before the 11th day from the opening of classes can no longer avail the prompt payment discount and will be charged the full published rate.

Students who are not able to pay tuition and miscellaneous fees in full on or before the 11th day from the opening of classes shall automatically be considered as paying on an "installment basis" and shall be charged the installment rates.

Students who pay on installment basis shall be charged an "Incomplete Down-payment fine" of Five Hundred Pesos (Php 500.00) if the full down payment is not made on or before the 11th day from the opening of classes.

A "Non-Payment Fine" equivalent to Two Hundred Pesos (Php 200.00) shall be charged to those students who fail to pay the minimum payment required on installment accounts as they become due.

The last day of enrolment without fine is the first day of regular classes. Any student who is allowed to enroll after the said date shall be considered as a late enrollee and is subject to the late enrolment fine.

A student is not considered enrolled unless the tuition or the first installment payment has been paid, in addition to the other requirements for enrolment.

Please note that the student with delinquent accounts shall be subject to penalties. This includes students who do not settle financial obligations to the University on time and those who issue "bounced checks."

DISCOUNTS

Discounts and other tuition fee reductions are also available subject to the approval of the concerned office head upon submission of the required documents. Details on the application or availment of discounts are available at the Student Accounts Section of the Accounting Office.

WITHDRAWALS AND REFUNDS

A distinction is made between students who officially withdraw and students who drop. Full withdrawal is permitted within thirty (30) days after the beginning of classes provided the university is notified promptly in writing on the Application for Change of Subject/Section/Load and Withdrawal Form

(F-REG-004) approved by the respective Principal and the Registrar. Any deserving exception on the application for full withdrawal shall be referred to the Vice President for Academic Affairs (VPAC) for approval. The request shall be approved by the Principal, the Registrar, and the Vice President for Academic Affairs or his/her authorized representative. When no written notification is made, the student is considered dropped and charged in full for the entire school year, regardless of the actual attendance.

Refunds (Cash and Published Rates)

Subsequent to enrolment, if the student officially withdraws his/her enrollment for any reason, within fifteen (15) calendar days after the opening of classes, the University shall refund all payments already made, but will charge the student the amount of Two Thousand Eight Hundred Pesos (Php 2,800.00) as processing fee.

If a student officially notified the University of the withdrawal of his/her enrolment for any reason more than fifteen (15) calendar days but not more than thirty (30) calendar days after the beginning of classes, the student shall be charged 25% of the total published tuition and miscellaneous fees due. This policy shall be imposed regardless of whether or not the student has been attending his/her classes.

If a student officially notified the University of the withdrawal of his/her enrolment for any reason more than thirty (30), but not more than forty-five (45) calendar days after the beginning of classes, the student shall be charged 50% of the total published tuition and miscellaneous fees due. This policy shall be imposed regardless of whether or not the student has been attending his/her classes.

If a student officially notified the University of the withdrawal of his/her enrolment, for any reason, more than forty-five (45) calendar days after the beginning of classes, the student shall be charged 100% of the total published tuition and miscellaneous fees due. ID CARDS

Student identification cards (IDs) are issued at the beginning of the

school year. The IDs should always be attached to the shirt or blouse of a student while in school. Presentation of the ID card is required, among others, when entering and leaving the campus, borrowing athletics equipment, securing examination slips, availing of medical/dental services, and applying for the use of school facilities. Students should be careful with their ID's as any student who loses his/her identification card pays a replacement fee before he/she is issued another one. They can obtain temporary gate passes only pending recovery/replacement of lost ID, if they are accompanied to the office by their parents. Temporary gate passes are good for a duration of one (1) week only.
