GENERAL INFORMATION

HISTORY OF THE UNIVERSITY

Jose Rizal University was originally founded as the Far Eastern College School of Accounts, Commerce, and Finance in 1919 as a non-stock non-profit non-sectarian private educational institution to blaze the trail in the field of commercial education. Its founder was the late Vicente Fabella, the first Filipino certified public accountant. The name was subsequently changed to Jose Rizal College in 1922, in honor of the great Filipino patriot and martyr who tried to awaken his countrymen in his writings to the need for economic self-sufficiency and independence.

The University was first located at R. Hidalgo Street in Quiapo, Manila. It offered the four-year bachelor's degree course in Commerce as well as the high school course. It had continued to provide educational services since 1919 except during the Japanese occupation of the Philippines in World War II when it remained closed as a gesture of protest in spite of repeated attempts by the occupation authorities at the time to have it opened.

The University re-opened after the end of the war in 1945 and, faced with the need for expanded facilities, transferred in 1950 to its present site in Mandaluyong City, then part of the province of Rizal and subsequently Metro Manila.

The University is a founding member of the Philippine Association of Colleges and Universities (PACU) in 1932, of the Philippine Association of Collegiate Schools of Business (PACSB) in 1962, of the Private Education Retirement Annuity Association (PERAA) in 1974, and Philippine Association of Personnel Management in Private Schools (PAPMIPS) in 1997.

In its more than 100 years of existence, the University has achieved the singular distinction of having produced a remarkable number of successful graduates who have enjoyed the respect of the nation. Among them are included a President of the Philippines, a justice of the Supreme Court, several members of the legislature and of the Cabinet, some ambassadors, no less than twenty heads of banks and financial corporations, several heads of educational institutions, acknowledged leaders in the various fields of industry, commerce,

agriculture and trade, and armed forces officers of general rank. It can rightfully claim that it has contributed its share in the molding of character and training of the successful graduates.

The careful combination of proven competence in instruction plus valuable experience in the practice of the profession has been the guide of the University in the selection of faculty members. This policy, combined with carefully planned programs in the various disciplines and adequate facilities, has formed the basis for the impressive educational record of the University.

VISION OF THE UNIVERSITY

JRU will be a market leader in the use of technology for innovation in teaching and learning to produce graduates of social importance.

Students are urged to read and understand the privacy notice posted on the University's website, which explains how the University collects, uses, retains, and discloses personal information of its data subjects. Questions about policy or any complaint regarding the treatment of privacy by the University may be communicated to the Data Privacy Officer.

LOCATION AND FACILITIES

Jose Rizal University is located at No. 80 Shaw Boulevard, Mandaluyong City, accessible through many public transport lines passing directly in front of and around the school. Shaw Boulevard is a first-class asphalted national road so that the dust problem is non-existent.

The university itself occupies an area comprising one-and-a-half city blocks located on high commanding ground bordered by a wall. Located inside this spacious campus are modern, well-designed, concrete multi-story buildings, air-conditioned classrooms, and surrounded by shade trees and green lawns.

The air-conditioned main library is a glass-enclosed structure that occupies the ground and second floor of a 5-storey building fronting Shaw Boulevard. It contains a collection of over 110,000 titles in electronic and print form and is fully wi-fi enabled and computerized. Students are encouraged to browse the collections on the shelves or by using library computer stations or laptops, their personal laptops, or their smartphone. A similarly-equipped library in the eight-storey Tower Building is for the use of the graduate and law students.

The auditorium is housed on the ground floor of a five-storey building completed in 1995. The laboratory rooms of the different science classes, the computer laboratory rooms, the engineering laboratories, the nursing skills laboratories, and the speech laboratory are also located in this building.

Adjoining the main campus and separated by an asphalted city road is an annex campus of about a half city block which is connected to the main campus by a concrete covered pedestrian overpass. The campus, which is covered entirely by a steel structure, contains primarily athletic and physical education facilities, and a six-storey concrete building, completed in 2008, purposely designed for classrooms and offices.

The telephone number of the university is 8531-80-31 to 35 and connects with all divisions and departments.

JURIS DOCTOR PROGRAM

ADMISSION REQUIREMENTS

A prospective student enrolling in the Law School should submit any valid admission credentials to be evaluated by the Dean. To be eligible for admission, the applicant must possess at least a bachelor's degree in arts or sciences and must have earned at least 6 units in Mathematics, 18 units in English, and 18 units in the Social Sciences.

Further documentation to be submitted are Philippine Law School Admission Test (PHILSAT) Certificate, which is hereby suspended pursuant to LEB Memo Circular No. 57, Series of 2020, Official Transcript of Records (OTR) of the degree earned together with an Honorable Dismissal and Birth Certificate. A photocopy of Marriage Contract, if applicable, shall also be submitted. A duly accomplished online application form shall be submitted together with an ID photo, preferably 2x2 inches in size.

In addition to the foregoing requirements, transfer students must submit the OTR from the last school attended with a CEL (Certificate of Eligibility for Admission into the Law Course) or CI and an Honorable Dismissal.

In cases where the admission credentials are deficient, incomplete, or cannot be substantiated at the moment, an Undertaking Form shall be executed by the applicant.

By enrolling in the University, students acknowledge and agree that they shall abide by all the policies and procedures of the University, regarding enrolment acceptance and retention; all school fees payment and collection; withdrawal or dropping policies; and all those policies and procedures contained in this General Information or any other Policies and Procedures Handbooks and Manuals now existing or will come to existence within the duration of their enrolment.

Students further acknowledge and agree that should they violate any of these policies, the University has the absolute right to enforce sanctions and penalties upon them as called for in this Handbook, including barring a student from taking examinations and/or being dropped from the enrolment rolls if necessary.

ENROLLMENT PROCEDURES

In general, the enrolment process has three major stages: (a) filling out forms, (b) registration, and (c) payment of school fees. In addition, there are other procedures which must be done even after the student has completed his enrolment.,

For the safety and convenience, students are enjoined to enroll remotely thru online registration. Students may enroll without stepping foot on campus following the online procedures for remote enrolment. In cases where the face-to-face transaction is preferred, the campus is open for onsite enrolment.

Registration is the process of formally assigning and recording the enrolment of a student in a course or courses.

Students enrolling for the first time at Jose Rizal University should access the Online Applicant Access Module, fill out the necessary/required information, and inform the enroller once done. The enroller checks and verifies the information encoded in the system, processes the application, and assigns sections/schedules.

An enrolling student shall refer to the curriculum set by the Legal Education Board (LEB). If the student decides not to take all the required subjects for the school year, he must enroll for at least 12 units a semester, taking into account the prerequisite for the subjects chosen.

For students who deliberately make a false statement or conceal material information on any University document, their registration may be cancelled, and they will be ineligible for subsequent registration.

Students are responsible for knowing about prerequisites for subjects and the sequence for the course chosen. If students enroll in a subject for which they are not qualified, the University reserves the right to cancel their registration in that subject even after the enrolment period; if for any reason they obtain a passing grade, they will not be given credit.

Students whose registration has been completed have entered into a contractual agreement and will be considered students of the University during the term for which they are registered unless their connection with the University is officially severed by withdrawal, dismissal, or expulsion.

Upon admission, students are subject to the announcements, policies, rules, and regulations of the University and the Legal Education Board (LEB) on student conduct and discipline, and any amendments thereto, which are available at the Office of the Dean in Room T-11 or posted on bulletin boards.

CHANGES IN REGISTRATION

Students are responsible for the completeness and accuracy of their registration. They must ensure that there is no discrepancy between the program and course they are following and that which is recorded in the Registrar's Office and that all changes are reported promptly to the Registrar as students may receive credit for only the courses in which they are officially registered according to the records of the Registrar.

A student may not take courses for which they have not registered and may not drop a course without permission.

Changes in registration are allowed only under circumstances indicated in the policies of the University and must be made within two (2) weeks after the beginning of classes by applying and duly filling up the Application for Change of Subject/Section/Load and Withdrawal Form (F-REG-004) and submitting the form to the Dean's Office for approval and to the Registrar's Office. No further changes may be made after that period, and changes in subjects made without the approval of the Registrar will not be given credit.

FLEXIBLE/BLENDED LEARNING

The Institute of Technology-Based Learning (ITBL) aims to broaden the integration of educational technology at Jose Rizal University. This is accomplished through the offering of flexible and blended learning courses using a Learning Management System. Within learning courses, students have synchronous and asynchronous sessions to accomplish activities such as experiments, group projects, discussions, and other learning experiences. Students participate within an assisted by virtual faculty presence, virtual laboratories, video, and other technology enhancements.

RULES OF DISCIPLINE

Students whose registration has been completed agree to abide by the policies, rules, and regulations of the University, accept the course of study prescribed, and meet the test required as to attendance, diligence in study, and personal conduct. Failure on their part in any of these respects empowers the University to take disciplinary action. The continuance upon the rolls and the graduation of each student, the awarding of academic credits, and the granting of any certificate or degree are strictly subject to the disciplinary authority of the University and the Legal Education Board (LEB).

By enrolling in the University, students acknowledge and agree that they shall abide by all the policies and procedures of the University regarding enrolment acceptance and retention; all school fees payment and collection; withdrawal or dropping policies; and all those policies and procedures contained in this General Information or any other Policies and Procedures Handbook now existing or will come to existence within the duration of their enrolment.

Students further acknowledge and agree that should they violate any of these policies, the University has the absolute right to enforce sanctions and penalties upon them as called for in this Handbook, including barring a student from taking examinations and/or being dropped from the enrolment rolls if necessary.

In order to safeguard and conserve the objectives of the University and those ideals of scholarship and moral atmosphere, which are the very purpose of its founding and maintenance, the University reserves the right, and the student concedes to the University the right to dismiss, exclude or require the withdrawal of any student from the university or from any class or classes, whenever, in the interest of the student, the student body or the University, the Dean deems it advisable to do so under the policies, rules, regulations or traditional practices of the University.

ATTENDANCE IN CLASS

Punctual attendance is required of all students. Excessive tardiness may be considered as absences upon the discretion of the faculty.

Subject to the regulations of the University and Legal Education Board (LEB), a student who has incurred absences of more than 20% of the required total number of classes in a given term will not be given credit and may constitute adequate grounds for dismissal at the discretion of the University.

EXAMINATION PERMITS

In every semester, preliminary, midterm, and final examinations are scheduled regularly. Before taking preliminary and final examinations, all students must have paid all pertinent school fees due; otherwise, they will not be allowed to take their examinations.

SYSTEM OF GRADING

Each credit course for which the student is registered earns a final grade at the end of the semester. The table shown below constitutes the official grading system used by the faculty in arriving at final assessments of student performance.

The University uses the decimal system of grading, that is, 1.0, 1.1, 1.2, etc. For the convenience of the students, a table of conversion follows:

1.0	100%	2.5	85
1.1	99	2.6	84
1.2	98	2.7	83
1.3	97	2.8	82
1.4	96	2.9	81
1.5	95	3.0	80
1.6	94	3.1	79
1.7	93	3.2	78

2.1	89	5.0	Failure
2.2	88	NC	No Credit
2.3	87	WD	Withdraw (student officially drops after the start of classes)
2.4	86		

The final grade of 4.0 (conditioned) is not granted. A grade of NC is equivalent to 5.0.

CORRECTION OF GRADES

Correction of final grades in any subject is allowed only within a period of one (1) year.

SCHOLARSHIPS

A number of scholarships are granted each year to applicants who can fulfill the requirements prescribed by the University, making it possible for deserving men and women to further their studies in spite of possible financial difficulties. These scholarships may not be deferred or transferred.

JURIS DOCTOR SCHOLARSHIP

This scholarship is given to incoming students in the Law School who graduated with Latin Honors in their undergraduate degree program and for students who passed the Law School Scholarship Qualifying test. Renewal for this type of scholarship requires a final GPA of 2.00 every semester. A failure in any subject automatically disqualifies a scholar.

ACADEMIC SCHOLARSHIP

The Academic Scholarship for Law School is also available to students which entitle them to tuition and miscellaneous fees, discounts, stipend, and applicable book reimbursement.

As a general statement, the University reserves the right to review, discontinue, and adjust scholarship parameters at any time as it deems required for all scholarships and financial assistance mentioned above.

For any questions and inquiries on other scholarships, please contact Guidance and Testing Office (GTO) at 8531-8031 local 32 or email to support@jru.edu

TUITION AND OTHER FEES

The tuition for the semester for each student will depend upon the total number of units taken. Miscellaneous and other fees may be charged depending on the subject enrolled. The details of tuition and miscellaneous fees are available at the Student Accounts Section of the Accounting Office.

A "prompt payment discount" of 10% of the tuition is given if full payment of all tuition and miscellaneous fees is made before the opening of classes (Prompt Payment Discount). However, if payment is made through a credit card, the "prompt payment discount" is reduced to 7.5%.

Further information about the prompt payment discount schedule and the deadline for enjoying such privilege may be obtained at the Student Accounts Section of the Accounting Office in Room A-13.

Students who will pay tuition and miscellaneous fees after the prompt payment discount period but on or before the 11th day from the opening of classes can no longer avail of the prompt payment discount and will be charged the full published rate.

Students who are not able to pay tuition and miscellaneous fees in full on or before the 11th day from the opening of classes shall automatically be considered as paying on an "installment basis" and shall be charged the installment rates.

Students who pay on an installment basis shall be charged an "Incomplete Down-payment fine" of Five Hundred Pesos (Php 500.00) if the full down payment is not made on or before the 11th day from the opening of classes.

A "Non-Payment Fine" equivalent to Two Hundred Pesos (Php 200.00) shall be charged to those students who fail to pay the minimum payment required on installment accounts as they become due.

The last day of enrolment without a fine is the first day of regular classes. Any student who is allowed to enroll after the said date shall be considered as a late enrollee and is subject to the late enrolment fine.
