HISTORY OF THE UNIVERSITY

Jose Rizal University was originally founded as the Far Eastern College School of Accounts, Commerce, and Finance in 1919 as a non-stock, non-profit, non-sectarian private educational institution to blaze the trail in the field of commercial education. Its founder was the late Vicente Fabella; the first Filipino certified public accountant. The name was subsequently changed to Jose Rizal College in 1922 in honor of the great Filipino patriot and martyr who tried to awaken his countrymen in his writings to the need for economic self-sufficiency and independence.

The university was first located at R. Hidalgo Street in Quiapo, Manila. It offered a four-year bachelor's degree in Commerce as well as high school. It had continued to provide educational services since 1919, except during the Japanese occupation of the Philippines in World War II, when it remained closed as a gesture of protest despite repeated attempts by the occupation authorities at the time to have it opened.

The university reopened after the end of the war in 1945 and, faced with the need for expanded facilities, transferred in 1950 to its present site in Mandaluyong City, then part of the province of Rizal and subsequently Metro Manila.

The university is a founding member of the Philippine Association of Colleges and Universities (PACU) in 1932, the Philippine Association of Collegiate Schools of Business (PACSB) in 1962, the Private Education Retirement Annuity Association (PERAA) in 1974, and the Philippine Association of Personnel Management in Private Schools (PAPMIPS) in 1997.

In its more than 100 years of existence, the university has achieved the singular distinction of having produced a remarkable number of successful graduates who have enjoyed the respect of the nation. Among them are included a President of the Philippines, a justice of the Supreme Court, several members of the legislature and the Cabinet, some ambassadors, no less than twenty heads of banks and financial corporations, several heads of educational institutions, acknowledged leaders in the various fields of industry, commerce, agriculture and trade, and armed forces officers of general rank. It can rightfully claim that it has contributed its share in molding character and training successful graduates.

The careful combination of proven competence in instruction plus valuable experience in the profession has been the guide of the university in selecting faculty members. This policy, combined with carefully planned programs in various disciplines and adequate facilities, has formed the basis for the impressive educational record of the university.

1. STUDENT PROGRESS AND RETENTION

1.1 Attendance, Tardiness and Absences

1.1.1 Attendance

Punctual and continuous attendance in all classes is required of all students, which is considered a matter of discipline and a factor affecting scholarship. All class activities organized by the school are treated as part of a regular class period.

1.1.2 Tardiness

Students will be given a 10-minute grace period before being considered late. Students who incur three (3) tardiness in each class will be allowed to enter the classroom only with an Excuse Slip from the Student Discipline Office.

Daily class attendance is taken for all students. Those who do not have Excuse Slips whenever they are habitually tardy or absent may be subjected to school discipline.

The following are the disciplinary sanctions that shall be imposed on students:

Three Tardiness	:	Secure Excuse Slip from the Discipline Coordinator
Fourth Tardiness	:	Warning to Student
Fifth Tardiness	:	Parent Conference

1.1.3 Absences

The school abides by the provision stated in the Compendium of Education Legislation for Private Basic Education (2011 ed.), Section 157.1:

“A pupil/student who incurs absences of more than twenty percent (20%) of the prescribed number of class or laboratory periods during the school year or term should be given a failing grade and/or given NC(no credit) for the course or subject.”

1.1.4 Excuse Letter and Excuse Slip

A student who has been absent shall be required to present a letter of explanation from his/her parent or guardian or to bring them to school for a short conference with the section adviser or guidance counselor, as the case may be.

Students shall be required to secure an Excuse Slip from the Senior High School Principal’s Office after submitting their excuse letter/pertinent document to be able to attend their classes again.

A student who is inside the school premises but does not attend his/her class is considered as a cutting class and can only be re-admitted when accompanied by his/her parent or guardian in securing an Excuse Slip from the Principal’s Office.

1.1.5 School Days and Class Hours

Day session classes are conducted from 7:00 o’clock in the morning to 6:30 o’clock in the evening on regular school days, with appropriate study/snack and lunch breaks. Every Monday morning, students with first-period classes are required to come ten minutes earlier to participate in the flag-raising ceremony.

Senior High School students are not allowed to leave campus during their class hours.

In case of emergency, minor students should be fetched by their parent/s or a legal guardian. The parent/s or the legal guardian should bring an identification card in fetching the student. Students who are 18 years old and above should immediately go to the Student Discipline Office before leaving the campus.

1.1.6 Cancellation of Classes and Specific Procedures

1.1.6.1 Suspension of Classes

Basically, there are two conditions where the announcement of the cancellation of classes is given:

a. Automatic Suspension of Classes

High school classes are automatically suspended when typhoon signal no. 2 is raised by PAG-ASA.

b. Localized Suspension of Classes

The City Mayor of Mandaluyong or the DepEd Mandaluyong may announce the suspension of classes if there are threats to public health and safety, such as heavy rains, earthquakes, floods, high tides, transport strikes, and other circumstances. After clearing with the President of the University, the suspension of classes will be announced.

1.1.6.2 Specific Procedures

a. Dismissal

In cases where the suspension of classes is done when the students are already in school attending classes, students will not be allowed to leave the University without a companion prior to 12:00 noon. If students are not fetched at 12 noon, it is assumed that the parents are allowing their children to go home alone. On the other hand, in cases where suspension of classes is done in the afternoon, students will be dismissed immediately after obtaining necessary clearances. If students are not fetched by 4:00 p.m., it is assumed that the parents/guardians are allowing their children to go home alone.

b. Re-scheduling of Examination and Scheduled Activities

Where classes are suspended on the day of a scheduled examination or activity, such as a program or a contest, the examination or the activity will be held a day after classes are resumed.

c. Make-up Classes

- Make-up classes shall be deemed necessary whenever classes are suspended/ canceled at least three times between monthly exams and if the class days that are affected fall on Tuesdays, Wednesdays, and/or Thursdays.
- If the suspension/cancellation of classes falls on a Monday and/or a Friday, there shall be no need to conduct make-up classes regardless of the number of times they are suspended.
- Make-up classes will be scheduled on Saturday.
- The coverage of the make-up classes will only be the subject/s that are affected by the suspension/cancellation of classes.
- A total of three days of suspension/cancellation of classes equals one (1) period of make-up per subject that is affected.

1.2 Grading, Promotion, and Retention

1.2.1 System of Grading

The Senior High School Division uses the percentile system of grading with the use of a transmutation table, with 100 percent as the highest possible grade and 60 percent as the lowest posted grade. The lowest passing grade is 75 percent.

Grading Periods (3)	1st Sem Examinations (3)	2nd Sem Examinations (3)
Prelims	(1) September	(1) March
Midterm	(2) November	(2) April
Finals	(3) December	(3) May

Grades will be computed as follows:

Prelims: Class Work (60%) +Major Examination (40%)

Midterm: Class Work (60%) +Major Examination (40%)

Finals: Class Work (60%) +Major Examination (40%)

Final Grade = Prelims x 25% + Midterm x 25% x Finals x 50%

Levels of Proficiency. The performance of students shall be described based on the following levels of proficiency:

Beginning (B): 74% and below

Developing (D): 75%-79%

Approaching Proficiency (AP): 80%-84%

Proficient (P): 85%-89%

Advanced (A): 90% and above

1.2.2 Classification of Students

A number of scholarships are granted each year to applicants who can fulfill the requirements prescribed by the University. These scholarships make it possible for deserving young men and women to further their studies in spite of possible financial difficulties.

Essentially, two types of scholarships exist, for those who wish to enter the University, and those who are already studying at the University. In turn, for both kinds, there exist academic and non-academic scholarships.

3.1 Academic Scholarships

A. La Pluma

All incoming Grade 11 in the Senior High School Division who have been certified as belonging to the top ten (10) in the academic ranking by their Junior High School Principals from any school, including JRU, with a minimum size of 100 students or more, are automatically qualified to apply as "La Pluma" scholars for their initial two (2) terms in JRU for as long as they enroll in JRU in the school year immediately following their year of promotion from Junior High School.

"La Pluma" scholarship privileges include a 100% discount on tuition and miscellaneous fees except on those fees charged on a "per application" basis, 100% reimbursement of textbooks, and inclusion in the "Academic Scholars' Mentoring Program." In addition, incoming "Valedictorians" are entitled to a monthly allowance of One Thousand Pesos (P1,000.00) during school days, which they will continue to enjoy for as long as they remain classified as "La Pluma" Scholars.

"La Pluma" Scholars who obtained a final GPA of 95.00 with no quarterly grade lower than 87.00 are entitled to continue as "La Pluma" Scholars.

B. Entrance Scholar A

Incoming Grade 11 students who obtained the top three highest scores in the JRU scholarship admission test.

C. Entrance Scholar B

Incoming Grade 11 students who obtained a score equivalent to above average in the JRU scholarship admission test.

D. Academic Scholar A

Students in all grade levels who finish their preceding academic year as No. 1 in academic ranking in their respective stands with no quarterly grade lower than 80.00 in any subject shall be classified as “Academic A” scholars.

3.2 Athletic Scholarships

Non-academic scholarships, such as Athletic Scholarships, are available for those who are accepted in the University, such as the NCAA basketball team, and for other areas on a discretionary basis. Scholarships are also awarded to deserving athletes.

3.3 Non-Academic Scholarships in Residence

This scholarship is open to the incumbent editor-in-chief and managing editor of the official publication. A scholarship of this kind is determined by the faculty adviser of the publication and Director of the Student Development Office, endorsed by the VP of Academic Affairs, and approved by the University President.

3.4 JRU Alumni Association Scholarships

The Jose Rizal University Alumni Association (JRUAA) maintains a number of academic scholarships both for high school students and those who wish to pursue and obtain a Bachelor’s degree at Jose Rizal University. These scholarships are intended to assist deserving students with an academic promise to further their studies. They include free tuition and other school fees and, for certain special scholarships, monthly stipends and book allowance. The JRUAA will determine every year how many scholars can be funded by the program.

3.5 Other Scholarships

A number of other scholarships are available for the collegiate and senior high school division, to be awarded by the University at its discretion.

All scholarship applicants, whether for the first time or continuing, are required to submit a completed application form at the Guidance and Testing Office (GTO). These scholarships must be utilized the following year; they cannot be deferred, nor are they transferable.

4. STUDENT CONDUCT AND DISCIPLINE

The completion of one's registration binds the student and his/her parent or guardian to agree to and abide by the University policies, rules and regulations; to accept the prescribed course of study; and to meet the requirements as to attendance, diligence in study, personal conduct and complete settlement of financial obligations. The continuance of the student in the rolls and his/her graduation, the awarding of academic credits, and the granting of any certificate are strictly subject to the authority of the University.

4.1 Requirements on Campus

4.1.1 Identification Card (ID)

The Identification Card is secured from the Information Technology Office at Building H (Room H-211).

Upon entry and while inside the campus, the student ID is required to be worn by all currently enrolled students. The ID card is to be worn slung over the neck and is required when borrowing books from the Library and for other on-campus identification purposes.

In the event that the ID card is lost, destroyed, or damaged, a replacement card may be obtained from the Information Technology Office upon submission of the duly accomplished Request for ID Replacement Form from the Student Discipline Office and the payment of the ID Replacement Fee at the cashier.

A temporary Student ID may be secured from the Student Discipline Office in case the ID is misplaced or damaged.

“Academic dishonesty” means employing a method or technique or engaging in conduct in any academic endeavor that contravenes the standards of ethical integrity expected at Jose Rizal University or by a subject teacher to fulfill any and all academic requirements. There are two kinds of academic integrity violations: One is plagiarism and the other is cheating. Plagiarism: According to the Merriam-Webster online dictionary, to “plagiarize” means to steal and pass off (the ideas or words of another) as one’s own; to use (another’s production) without crediting the source; to commit literary theft to present as new and original an idea or product derived from an existing source. Cheating: To act dishonestly or unfairly to gain an advantage, especially in a game or examination.

that alternative courses of action for meeting class requirements can be made. Failure to comply may result in a failing grade.

4.3.7 Parent/Guardian's Responsibilities

As a parent or guardian of a student enrolled in Hyflex learning, it is very important to understand the responsibilities associated with that role. With the many distractions students have today, it can be difficult for some students to set aside time to work on courses when not in school. It is the responsibility of the parent/guardian to encourage the student to manage their time in an effective way. Teachers will keep the parent/guardian apprised of the student's progress and initiate contact if they fall behind in their coursework. Parents are expected to supervise and monitor their student's progress throughout the duration of the course. Parents should support Academic Integrity. Academic Integrity is one of JRU's core values and one of the most important areas of focus as a learning organization. Students with Academic Integrity make decisions based on ethics and values that will prepare them to be productive and ethical citizens. You may contact your child's teacher directly to answer questions about the course that you may have. When a parent or guardian has a concern about the child's performance or behavior, the parent/guardian should request a conference with the child's teacher/s. Parents/guardians are also encouraged to provide their child's teachers and class adviser with their latest/updated contact details so the school can immediately and properly reach out to them for any updates and concerns related to their child's academic performance and behavior in school.

4.3.8 Forms of Disciplinary Action

The following are the forms of disciplinary sanctions for major and minor offenses or violations of school rules and regulations that may be applied to an erring student.

4.3.8.1 Community Service

A student who committed a major offense will be tasked to serve the JRU community. Instructions will be given by the Principal or the Student Discipline Coordinator.

4.3.8.2 Suspension

a) Preventive Suspension

A student may be immediately placed under preventive suspension during the period of the investigation or the pendency of the disciplinary proceedings against him. This must be done to maintain an atmosphere conducive to education in the school, preserve decorum in the classroom, and uphold respect for administrators and teachers.

b) Punitive Suspension

After the due process has been observed, a student may be suspended from attending class, the number of days of which shall be commensurate to the nature and gravity of the offense committed.

	<u>Major Offense</u>	<u>Minor Offense</u>
First offense	Parent Conference	Warning
Second offense	2 days suspension	Parent Conference
	Online platform is blocked.	
Third offense	5 days suspension non-readmission, exclusion	2 days suspension Online platform is blocked.

Suspension may take the form of but is not limited to community and academic works. As a general rule, a suspended student is not excused from taking examinations, quizzes, and graded recitations given during the specified period. Therefore, he/she shall be given a failing mark for not having taken them and will not be given special examinations to make up for them later.

The University reserves the right to accelerate the disciplinary suspension or other penalties to the student (e.g., extend a 5-day suspension or greater even if it is a first offense), depending on its assessment of the extent/degree of the offense committed.

4.3.8.3 Exclusion (Dismissal/Forced Transfer)

After the due process has been observed, a student may be excluded from the rolls during the same year if he/she is found guilty of a serious breach of school rules. It takes immediate effect and prevents the student from finishing the school year.

4.3.8.4 Expulsion

This punishment is reserved for extremely grave matters inasmuch as no transfer credentials will be issued. Therefore the erring student will be unable to continue his/her studies even in another school.

4.4 Damages

A student who is found to have been directly responsible for damages to school property/property of others or inflicting physical injuries to another person while within the campus or during an official off-campus activity is liable to make financial compensations for the damages caused as determined by the disciplinary committee and the Principal.

4.4.1 Liability of Students

There are two types of sanctions, those of a financial nature and those of an academic nature. The financial compensation involves the payment by the erring student of the cost of the damaged property, whether or not done deliberately, and involves the determination of replacement cost. A student may also be required to shoulder expenses incurred as a result of physical damage against one's victim from a fistfight or any act of misbehavior. In any case, the amount of the fine is commensurate to the offense committed.

The second concerns additional disciplinary measures should it appear that the student's acts approximate that of vandalism and may involve academic sanctions.

4.4.2 Procedure for Payment

Once the cost of the damages has been established by the disciplinary committee and the cost has been approved by the Principal, the student (through his parents/guardian) will be required to settle the cost as soon as possible.

5. STUDENT CO-CURRICULAR ACTIVITIES

It is the policy of the University to encourage and stimulate the spirit of competition, confidence in one's self, a continuing desire for improvement, and the development of the qualities of leadership and citizenship training as desirable traits to be developed among the individual students and student body as a whole in all divisions of the University.

Literary and musical programs, convocations featuring noted resource persons, and other social gatherings are frequently held on campus for further educational and cultural enrichment.

The homeroom provides an opportunity for close teacher-student relationships, more effective practice of social group living and better group guidance activities. Complete computer facilities are provided for the students' hands-on experience to reinforce the lessons learned in ordinary classrooms.

The three-day University Week Celebration held in February is a significant event in the school, with maximum student participation as a major objective. It features art exhibits, literary and musical programs, field demonstrations, parlor games, quiz shows, and other activities, thus enhancing the students' varied interests and talents.

5.1.1 Athletics

Physical Education and Health (PEH) is offered to all students and includes physical and health education, scouting, and music.

The annual Intramural League is an important component of the physical education program. 8. STUDENT PERSONNEL SERVICES

8.1 Health Services

A medical and dental clinic forms part of the services made available to students of the University at all levels. It is located in Room C-18 on the ground floor of Building C. Qualified physicians/dentists/nurses staff the Clinic, which is open from 7 AM to 9 PM from Monday to Friday.

The Clinic has a limited selection of medications available, which can be used to cover a broad spectrum of medical conditions expected in the school setting.

A student who wishes to avail of the services of the Clinic may inform his adviser or classroom teacher, who, in turn, will accompany him to the Clinic. In all cases, the clinic staff will assess the student, institute appropriate treatment (which may include providing medication or cleaning/dressing a wound), and inform the adviser or the principal of the situation. The parent/guardian is subsequently notified of the consultation and the child's medical condition.

Students are not allowed to loiter or stay in the Clinic if they do not need its services.

Currently, enrolled students who wish to avail of the services of the Clinic can proceed to the said room. They should present their current JRU ID to the nurse on duty and inform the nurse of their complaint. They will then be asked to fill up the JRU Student Health Record (JRU Form 461), which will subsequently be filed at the Clinic.

8.2 Guidance and Testing Services

Guidance and counseling services are available at the Guidance and Testing Office. Such services can involve the assessment of difficulties in students' studies, including the application of appropriate testing and measurement mechanisms, in order to assist the individual student in realizing his/her full potential. Guidance and counseling services can partake of either or both individual or group counseling.

Testing services refer primarily to group testing for school administration purposes, such as to provide benchmarks and indicators for determining the progress of pupils and the quality of instructional output. Such tests are provided by or are given under the supervision of the Guidance and Testing Office. However, certain tests of a mandatory national character, such as the National Achievement Test for fourth-year high school students by the Department of Education, are undertaken directly by the Principal in conjunction with DepEd.

8.3 Child Protection Policy

The University shall take measures to protect the students from abuse, violence exploitation, discrimination, bullying or peer abuse, and other related offenses.
